

CALL FOR PAPERS

IEEE International Communications Energy Conference (INTELEC) 2024 Powering Information and Communication Technologies (ICT) for a Billion Lives

INTELEC®, The International Communications Energy Conference, will be held in **Bengaluru, India**, from the **4th to 7th of August 2024**. Several keynote, plenary, oral and poster sessions will be organized to discuss the latest developments in the critical power solutions for ICT. The highlight of the conference is the exhibition, where attendees can interact with industry leaders and explore cutting-edge products and technologies. Bengaluru, known as the Silicon Valley of India, is the country's technology hub and home to many start-ups, technology companies, research laboratories and academic institutes. **JW Marriot Hotel**, the conference venue, is conveniently located in the city's central business district.

Technical Tracks:

- Power electronic converters for ICT networks.
- Power systems for critical applications.
- Integrated operation and control of power converters for ICT infrastructures.
- Energy storage for communications systems.
- Resilient, reliable, and highly available power infrastructure for mission-critical applications.
- Infrastructure for communications systems.
- Critical power for electric transportation.
